

THE CONGREGATIONAL CHURCH United Church of Christ September 2022

Friends in Christ:

One of the great things about living in Iowa City is that there always seems to be a new opportunity to start again.

January arrives and it's a new year—a new calendar with new possibilities.

January also brings the start of a new semester at the University and Kirkwood—a chance, even in the dark and cold of winter, to set aside the failings of the past and do it right this time.

The springtime brings, well, the newness of spring and the celebration of Easter brings its promise of resurrection and new life. And we keep that going for six weeks.

Then comes commencement—which we think of as bringing an end to high school or college days, but the word is really about beginning, isn't it—*commencing* something new.

And as summer winds down, we discover to our delight that yet another new year is starting—the 2022-23 academic year with all of its promises and opportunities. This year the newly gilded Old Capitol dome greets us and we have a new art museum to explore as well.

So, it wasn't much of a surprise a few years ago when Sperling's *Best Places* named Iowa City as the best city in the United States for starting over. If you're looking for a fresh start, this is where you want to be. "Iowa City really is a nice town," the report said. "It has an attractive downtown, a well-educated population, and a great community feel to it."

Here on this corner in this community, we begin anew. Sunday morning adult education sessions will meet. There are new activities for the youth in our congregation. The choir starts singing once more. The Progressive Dinner returns next month. And our mission work that has been so strong in recent years continues to develop.

The pandemic isn't over, but in these days, we begin something new.

Peace,

Bill

Students come from 28 denominations across southern Africa including the UCC of South Africa. For more information about this amazing program, please visit their website at www.tee.co.za. UNDERSTANDING THE PROPOSED “RIGHT TO FIREARMS” AMENDMENT TO IOWA’S CONSTITUTION: Monday, September 19, at 7:00 p.m. on Zoom

The Congregational UCC Mission Board is hosting a Zoom presentation by Liz O'Hara, a local gun violence prevention advocate working in Johnson County. The presentation highlights what's at stake and why the official description of the amendment is misleading. The presentation provides historical data on gun violence in Iowa, a reading of the actual amendment and its legal ramifications for sensible gun safety measures, and information on the consequences of similar amendments passed in other states. The effects of this constitutional amendment would be far-reaching and long-lasting. This presentation, which lasts approximately 20 minutes, is designed to provide voters with the information they need to cast an informed vote in November. The Mission Board is providing this information to the congregation because we believe this is an important topic.
